RD-I-565, Army Request for Information on Railroads of Hungary

1. The Hungarian Railroad information requested by the Department of the Army is not the primary responsibility of Transportation Branch, ORR; although some information on most of the requested data has been collected and filed over the past several years. Generally, this information has been collected only as a marginal interest to the Branch; however, some information that could be of value to the Army may be in our file.

2. As in the past, we will endeavor to make available to the responsible Army analysts all information that may relate to the production of the Railroad section of the HHS on Hungary. It is requested only that the Army notify the Branch through appropriate channels prior to contacting our Analysts for information.
